COMMENTS FROM THE TOWN MANAGER'S OFFICE

The following shows the standing of the various accounts in the Highway Department as of Oct. 31. The larger accounts will show comparisons with last year.

Currently there is an overdraft in the Roads & Bridges account of \$534.20. A year ago the overdraft was \$499.36. The Winter Roads account shows a much better condition than last year. The balance on hand amounts to \$4,574.15 as compared to a deficit at this time last year of \$2,033.54. This is due to the fact that last winter the expense of snow removal and sanding was less than the winter previous. The Truck Rental Account shows a balance of \$6,875.01 as compared to \$5,329.57 last year. However this balance will be reduced by \$3,000 in about a month when the initial payment is made on the new snow plow and plow frame. As previously mentioned the balance of \$2,500 will be paid during 1961.

The Surfacing Account shows \$1,507.92 unexpended, last year \$1,931.17 unexpended. This balance will be reduced before the end of the year when the final bill for asphalt is paid. The appropriation for this account was reduced this year by \$3,000.00. The town expended \$8,793.86 for State Aid Construction and \$6,782.58 Town Road Improvement funds. The town has been reimbursed by the State for both expenditures. Sidewalk account shows \$1.46 unexpended. Surface Drains, \$224.42 unexpended. Weather permitting this balance will be used on a drainage problem on Vernon Street. The pipe has already been purchased.

Sincerely,
Harold L. Bean

Kennedy-Johnson Chosen Tuesday; Smith, Reed, Garland GOP Winners

With a record local, state and national vote Tuesday, all Republican Oxford County and state candidates were elected. The only successful Democrats were the two Rumford representatives to legislature. Nixon and Lodge carried the state 240,507-181,039, and Oxford County 10,651-8,969, while the final count of the nation gave the leadership to Kennedy and Johnson with 272 electoral votes against the Republicans' 177.

Bethel's vote of nearly 1200 was by far the largest turnout on record, the vote for the United States Senator contest totalling 1187. District and statewide totals for Garland, representative to Congress, and Governor Reed upset the popular predictions, while expected close contests in the county did not materialize. Statewide Governor John Reed won 219,762 votes while his opponent, Congressman Frank Coffin, drew 197,083.

BETHEL VOTERS APPROVE THREE "WET" QUESTIONS

In Tuesday's election Bethel voters favored operation of a State liquor store in town—yes 551 and no 443. They also voted for sale of wine and spirits to be consumed on the premises (hotel and club), 517 and 465, and to continue licenses for sale of malt liquor not to be consumed on the premises, 736 to 274. Question 2-A for wine and spirits to be consumed on the premises of class A restaurants was turned down—yes 382—no 568, as were No. 3 (malt liquor to be consumed on premises) yes 401—no 567; and No. 4 for malt liquor consumed in taverns, yes 272—no 665.

SCHOOL NEWS

The first ranking period in the Bethel schools closed last Friday. Report cards like those used last year have been distributed to all pupils.

The Oxford County Teachers' Convention was held at Gould Academy, Thursday, Nov. 10. All schools in Union No. 22 will be closed in observance of Veterans' Day, Friday, Nov. 11.

Parents driving children to the Primary School are cautioned not to park beside school buses when they are unloading. Pupils leaving automobiles parked beside school buses have been observed passing in front of buses to enter school, creating a hazard when they are not visible to the bus driver. It is recommended that parents halt their cars behind the bus so that no pupil will pass in front of the bus.

Read Luke 1:76-80
The dayspring from on high hath visited us, to give light to them that sit in darkness and in the shadow of death, to guide our feet into the way of peace. (Luke 1:76,79.)

While marking pupils' compositions one day, I was thrilled to see that a little girl had written: "If all the people in all the countries of the world loved the Lord Jesus, there would be peace."

If our hearts are filled with love for our crucified and risen Saviour and with gratitude for redeeming us, there is no room for hatred or hurt feelings. His love and peace will flow through us to others.

At one of our seaside services a man fiercely abused my husband for preaching, but we

prayed frequently for him with Christian love. Day after day he stood just within sound of the gospel. He listened sullenly at first, but finally gave his heart to God.

Christians may meet with persecution, especially when trying to spread the gospel, but nothing can really disturb the peace of God garrisoned in their hearts.

PRAYER: Heavenly Father, we thank Thee for giving us peace through Thy dear Son's redeeming love. May His peace be so manifest that it may spread to all we meet. In His holy name we pray. Amen.

GOULD ACADEMY

GOULD 19—FRYEBURG 7

In one of the most satisfying finishes anyone could want, Gould Academy came from behind to overwhelm their top rival, Fryeburg Academy, 19 to 7. Not since 1944 has Fryeburg been able to win over the local Academy eleven.

Fryeburg scored first after they started a 58 yard march near the end of the first period. On the third play of the second stanza, Bruce Thurston plunged over from the two foot line and Ray Austin kicked the extra point to give Fryeburg a 7-0 lead.

Gould took the ensuing kickoff and roared off covering 61 yards in eight plays to score with Don Rice going over from two yards out.

Owen Melville kicked the extra point to tie the score. Alex Foster proved the big gun in this period as he reeled off runs of 9 and 12 yards and took a pass from Scott Cummings for 24 more. The score remained 7-7 at half-time.

In the third quarter Melville grabbed a fumbled ball on the G A 23 yard line and the Huskies, with Steve Parent, Foster and Cummings doing some fine running, raked up 5 first downs in a row as they carried the 77 yards to pay dirt. Foster scored the final yard. The kick was missed, and Gould led 13-7.

Midway through the final quarter, G A held Fryeburg on P A's 27 yard line. On the first play Gould was penalized 5 yards for offense, but Foster, on the next play, went around his own left end for a 32 yard scoring jaunt. The place-kick fell short and Gould led 19-7. Moments later Gould was again hammering in the shadows of the goal-line only to lose another touchdown by a fumble. Fryeburg was given the ball on their own 29 yard line but could never threaten from there.

The Huskies had complete

control in the last half as the defensive unit showed its superiority over the visitors by holding them to two first downs in the 3rd period and none in the final. The total first downs were 15 to 9 for G A. The fine running of Steve Parent and Alex Foster along with Scott Cummings' three out of four completions for 68 yards were outstanding accomplishments for Gould. The entire team played well both on offense and defense.

Best performers for the losers were Bruce Thurston, Alan Emery and Carl Pipe.

ELEVENTH MONTH

Twilight hours grow fewer and the hours of darkness increase. Time seems to gather momentum as it slides down to the end of the year. The days are shorter, the nights are longer, and the leaves are falling. The air is crisp and clear, and the sun is shining brightly. The month of November is a time of harvest and preparation for the winter ahead.

November is an in-between season. There are days of cold, driving rain, snow squalls and strong winds. The countryside is a mix of green and brown, and the air is filled with the scent of autumn. The month of November is a time of reflection and preparation for the future.

A century ago this was called the "Harvest Moon." The time when cattle herds went into the back country and brought produce to drive over the roads to city markets. Big flocks of turkeys were driven to market and flocks of fattened sheep were sent to the growing cities.

November is the end of a farm season. Barns are filled with good timothy and clover, and the fields are high with corn. The farmers are busy with the harvest, and the air is filled with the sound of the combine. The month of November is a time of hard work and dedication.

There are those who do not care for November. They say it is depressing as the color fades and the cold increases. But there is beauty on the land in the muted hues of brown and gray. There is music in the evergreen groves and the brooks sing their way down from the highlands.

Time is the essence of life and he who extracts the full flavor of living knows that each month of our turning year of 12 is a distinctive harvest. November is the end of one season, but it is the beginning of another and he who will can reap a harvest from this segment of the turning year.

ATTENTION!

All Registered Voters of Bethel and Surrounding towns: The vote that you have cast this week in the National, State and Local Government is now over. We, the Jaycees of Bethel, would at this time like to congratulate you on using your democratic right to vote on all levels of government.

Now, as you may know, the Jaycees of the State of Maine are at this time securing signatures to bring to a referendum vote an issue here in the State of Maine.

The people on Chebeague Island in Casco Bay want you people in the State of Maine to vote next fall and decide whether or not you want to build a toll bridge to their island, under a separate bond issue which will not involve the State Highway Fund in any way.

In order to give you people your democratic right once more in the deciding of another important issue, the Jaycees of this community will soon be calling on you, if we have not already done so. When he does knock at your door, please remember that in signing you are not voting for or against the bridge, but giving the people a chance to vote as they see fit next fall.

CUB SCOUTS

Nov. 8: Den 1 met at the home of their Den Mother. We went to people's doors reminding them to vote. We visited the polls, came back and had refreshments. We had the Living Circle and left.—Keeper of the Buckskin, Bill Eames.

Den 3 met Monday and had refreshments brought by Mike Heino. Then we had a vote for President which Mr. Nixon won and then we worked on a rocket for the pack meeting. We also elected a denner, Doug Farrar. Pete Kaley will bring refreshments next week.—Keeper of the Buckskin, Pete Kaley.

Den 8 met at Mrs. Fiske's house Wednesday, Nov. 2. First we played a game of dodge ball. Then they had refreshments of pop corn, brought by Allan Howe. Then we took dues and had the flag salute. After the flag salute we talked about the Nov. 8 election and the theme for the month. After that we played some games and had the living circle. After the meeting we went outdoors and played football.—Keeper of the Buckskin, Allan Remington.

4-H CLUB NEWS

Lucky Clover 4-H Club, East Bethel: Our meeting was called to order by the president, Josie Foster. In old business we talked about the record player we are planning on get- ting. In new business we all received our record sheets. We hope to have Rusty Clark at our next meeting to explain what we have to do to be a blue ribbon club. The subject mat- ter is going to be on Child care. The subject matter this meeting was on zippers. The next meeting is going to be Nov. 16 at the leader's home. We then adjourned the meet- ing. Refreshments of milk and cookies were enjoyed by all. - Club Reporter, Cynthia.

The Busy Beavers 4-H Club met at their leader's, Mrs. Helen Hillier's, Bethel on Nov. 7. Plans were made for our an- nual tour of members' homes. We decided to have it the week before Christmas and end it with a sliding or a skating party. We discussed the work required in our projects. We are happy that Vicky Robert- son is able to return to our club this year. We now have 11 members. Refreshments were served by Harriet Hillier. Mary Hillier and Vivian Brown are serving refreshments next week. - Club Reporter, Harriet Hillier.

The Spoon and Hoe 4-H Club held its meeting on Nov. 5. The president asked us to bring something for the Thanksgiving baskets that we are going to decorate. After that the boys worked out in the shop. The first year girls had a test on threading the sewing machine and the other girls sewed. For the next meeting Merry York will have entertainment. Don- ny Young and Clayton Rice will bring refreshments. - Nancy L. Brown, Reporter.

Bethel Bluebirds 4-H Club met at their leader's home, Nov. 7.

(Middle Intervale Road)

You've never driven a heavy-weight that handled like this one!

HERE! EASIER GOING FOR THE DRIVER AND THE LOAD, LONGER LIFE FOR THE TRUCK!

'61 TORSION-SPRING CHEVROLETS

If you don't think scrapping the front axle has made a world of difference, you haven't driven a Chevy in a while. A few minutes behind the wheel and you can feel why drivers are happier and breakable loads are better protected. But the biggest advantage of all, you'll realize, is that the truck itself (sheet metal, tires, chassis components, everything) takes less abuse. With independent front suspension soaking up road shock and vibration, the truck lasts longer, goes extra thousands of miles before trade-in time. Add that to what everybody's always known about Chevy dependability and you find yourself looking at the soundest truck investment you could bet your business on.

and look! NEW REAR-ENGINE CORVAIR 95's

A panel and two pickups that put a thrifty air-cooled engine in the rear, the driver up front and as much as 1,000 pounds of load space in between! That's more capacity than a conventional half-tonner. Yet these Corvaire 95's are nearly two feet shorter from bumper to bumper. Highly maneuverable. Built to last and bound to save on a busy schedule!

CORVAIR—Side doors open a full 43" wide. Loading height is a new 14" HWT
